## Was Paul an Entrepreneur? Are You?

Are you a goal and mission-driven visionary (emphasis on driven)?

Are you creative, imaginative, and innovative?

Do you have a passion for success?

Are you a passionate learner?

Are you a calculated risk taker?

Are you independent? Do you prefer autonomy?

Are you patient and disciplined?

Are you energetic, optimistic and enthusiastic?

Is it necessary to be all of these things?

Are entrepreneurs born or made?
